

Being a Leo is a great way to serve your community, develop leadership skills and make new friends.

There is a large Leo network of more than 5,700 Leo clubs in 141 countries with approximately 144,000 members.

Objective

To provide the youth of the world with an opportunity for development and contribution, individually and collectively, as responsible members of the local, national and international community.

Motto

Leadership – Develop skills as a project organizer, time manager and team leader.

Experience – Learn how teamwork, cooperation and collaboration can bring exciting changes to your community and the world.

Opportunity – Make friends and feel the rewards of community service.

Every day, millions of children around the world miss out on the joy of childhood. Instead of playing with toys, they deal with poverty, malnutrition and disabilities.

Leo clubs can bring hope and laughter, and make a positive impact for children in both local and international communities through creative projects.

December 5th is International Leo Day
